

POINTERS ON THE RACES.

The Handicap Is the Only Redemptive Feature To-Day.

The Rest of the Guttenburg Card is Unattractive.

The handicap in the one redeeming feature of the card at Guttenburg to-day. It is like a rare jewel surrounded by stones of the poorest paste. The remainder of the card is unattractive and not up to the usual high class standard.

The handicap distance is six and a half furlongs. Blitzen is second top weight, as usual. Teomo and Pulsar each receive seven pounds. My Fellow gets fourteen; Play or Pay, seventeen; Airplant and Pagan, nineteen each, and the others twenty-five to thirty pounds each. The race should be worth looking at.

The most interesting of the other events in the closing dash at six furlongs. In this Pagan, Kirkwood, Sacramento, Westchester, Sheibard and St. Denis are running.

The two-year-olds in the fourth race are a good lot and the two-year-olds in the second event should make a pretty contest.
